Level 1 — Student Threat Assessment Protocol Training

This training will cover the following material:

- The basic concepts of threat assessment with a focus on youth risk factors.
- A brief review of supportive research and best practice prescriptive recommendations for assessment and management.
- The application of threat assessment concepts and research in a site-based protocol, called a Level 1.
- Direct instruction on conducting Level 1 threat assessments at a school level, including the process for referral to a community-based Level 2 threat assessment support team.
- Case review and lab exercises demonstrating the Level 1 threat assessment process.
- Question and Answer and problem-solving that addresses each school district's unique needs.
