

Join ESD 101s NEW Regional School Counselor Network

With guidance from your OSSI School Improvement and ESD 101 teams, join this network and work with regional colleagues to:

- ◆ *Implement best practices for comprehensive school counseling within a multi-tiered system of support*
- ◆ *Develop a stronger systems change role with your administration*
- ◆ *Use data and your School Improvement Plan to determine needed interventions and enhance student supports*

Clock hours available

3 in-person professional learning opportunities

Increased support from your ESD and OSPI / OSSI
