

Positive Behavioral Supports Training

Prevent - Teach - Reinforce for Young Children (PTR-YC)

Presented by Tim Andrews M.S. ECE

Audience: Pre-K through Grade 3 teachers, Early Learning providers, General & Special Education teams.

This one day training will help you:

- Prevent Behavior problems
- Teach proactive communication and social skills
- Reinforce positive behavior
- Resolve persistent challenging behaviors
- Address problem behaviors common in younger children
- Set individual goals for children
- Conduct family-centered assessment and intervention
- Support children with and without disabilities
- Collect reliable data and use it to inform next steps
- Work effectively with diverse families
